Re: Resident Caretaker at 3 Oates Lane Armadale/aka 34E Rose Street/Glenloch Grove

A VCAT and Stonnington CC condition for the approval of the retirement village at 3 Oates Lane Armadale was that there be a resident-manager and caretaker with a car parking space on the premises. The building houses 20 independent house units housing aged pensioners.

Please advise whether the caretaker is entitled to the National Minimum Award remuneration and back-pay if unpaid and how that amount is to be calculated. If not paid please advise the procedure to obtain recovery.
